Stanley Cup Playoff Format

Playoff qualification will be primarily Division-based, with the top three finishers in each Division qualifying for the first 12 spots in the Stanley Cup Playoffs (and the first three "seeds" in each Division).
The two additional playoff spots in each Conference, designated as "Wild Cards," will be awarded to the next two highest-placed finishers in each Conference, ranked on the basis of regular-season points and regardless of Division.

"Seeding" of the Wild Card teams within each Divisional Playoff will be determined on the basis of regularseason points. The first-place finisher with the highest number of regular-season points in the Conference will be matched against the Wild Card team with the lowest number of regular-season points, and the firstplace finisher with the second-highest number of regular-season points in the Conference matched against the Wild Card team with the second-lowest number of regular-season points.
The Playoffs will proceed on a "Divisional Basis" as follows:

* #1 vs. #4 / #2 vs. #3 – winners play each other for Division Championship

* Conference Finals – Pacific Division Champion vs. Central Division Champion and Atlantic Division Champion vs. Metropoliton Division Champion.

* Eastern and Western Conference Champions will meet in Stanley Cup Final.

The National Hockey League Players' Association has given its consent to play under this new Alignment and Playoff System for a minimum of three seasons.

Assist — An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.

Game Played — A player receives credit for playing in a game if: i) he steps on the ice during time played or; ii) serves any penalty.

Game-Winning Goal — After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).

Goal — A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.

Goals-Against Average — Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).

Goaltender — A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

Penalty-Killing Pct. — Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.

Plus-Minus — A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthanded goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic.

Power-Play Goal — A goal scored by a Club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power-play goal:

- if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power-play goal.
- if a Club scores on a delayed penalty, the goal is not a power-play goal.
- if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages.
- if a Club is on a power-play for any length of time, it is considered to have had an advantage.
- if a minor penalty is incurred by a Club on a power-play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.

Power-Play Percentage — Total number of power-play goals divided by total number of power-play opportunities.

Save Percentage — Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots-against.

Shooting Percentage — Divide the number of goals scored by the number of shots taken.

Shorthanded Goal — A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.

Shot on Goal — If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

Shutout — If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.

Tenths of a Second — If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)

Coaches Record — A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

** NOTE: No individual skater/goaltender statistics apply for the shootout

WINNIPEG JETS TrueNorth FOUNDATION

The Winnipeg Jets True North Foundation serves as the entity through which The Winnipeg Jets Hockey Club performs its philanthropic responsibilities to the Province of Manitoba. It fulfills this obligation by supporting registered charities within our community who focus on the youth of our province and by developing and operating programs that serve disadvantaged kids.The Foundation was founded in October of 1996 as the Manitoba Moose Yearling Foundation, which it remained until prior to the 2011/12 hockey season. Since inception, True North's charitable efforts have raised and disbursed over $6.9 million dollars.

During last year's season, the Foundation was able to direct over $1.9 worth of funding to our youth based programming along with other local and non for profits.

One of the highlights of the True North Foundation's efforts is the Winnipeg Jets Hockey Academy. Originally formed as the Little Moose Hockey Program in partnership with Winnipeg Aboriginal Sport Achievement Centre (WASAC), the Winnipeg Jets Hockey Academy aims to introduce hockey basics to children across the city that otherwise are not able to participate in the game, while also encouraging participation and excellence in school.

The Winnipeg Jets True North Foundation operates under the direction of Dwayne Green, Julie Chartier, Murray Cobb, Heidi Fingas, Corey Coker, Jeff Hofer, Rick Bochinski and Kait Flett in partnership with a dedicated Board of Directors.

MAJOR FUNDRAISERS OF THE WINNIPEG JETS TRUE NORTH FOUNDATION

CAMP MANITOU

Camp Manitou is a Summer Camp and Year Round Outdoor Recreation Facility operated by the Winnipeg Jets True North Foundation. The Camp Manitou property is a 28 acre oasis just outside of Winnipeg. With its forests, large grass playing field, and the Assiniboine River on three sides, the property provides lots of space in which to enjoy nature.

The Winnipeg Jets True North Foundation entered into a long term lease and operating agreement that resulted in the foundation assuming the operations of the Camp Manitou effective January 2, 2014. Fewer and fewer children in the Province are attending Camp, the goal for Camp Manitou is to make it an accessible outdoor education opportunity for as many children in the Province of Manitoba as possible.

50/50 DRAWS

Certain aspects of the live hockey experience stand out for fans, whether it's the crowd noise, concourse traffic, or an intermission snack. One of those highlights, a staple at MTS Centre hockey games, is the 50/50 Draw, which rewards one lucky ticket holder with half of the Draw's earnings at any given home game.

At just five dollars per ticket, fans get a chance to win a large cash prize while supporting the Winnipeg Jets True North Foundation. The 50/50 Draw remains one of the main sources of fundraising for the Foundation and greatly helps their charitable efforts each season.

WINNIPEG JETS HOCKEY ACADEMY

The Winnipeg Jets Hockey Academy is creating waves of change and achievement for inner city children. The True North Foundation recognizes that challenges exist for many families to participate in the great game of hockey. As a response, the Hockey Academy was created (formerly under the name Little Moose Hockey Program) to provide children with the chance to play hockey while surrounded by their peers and positive role models. Participation barriers have been removed by providing programming staff, equipment, transportation, ice rentals, nutrition, and qualified on ice instruction to all academy participants.

By providing children with an opportunity to experience the positive benefits of hockey, the Foundation believes that they will have increased confidence to pursue their goals, on and off the ice. Hockey Academy helps encourage academic achievement and increase children's sense of belonging within their school community.

The Winnipeg Jets Hockey Academy has grown this season to include 18 schools from the divisions of St. James-Assiniboia, Winnipeg One, River East Transcona. This partnership has grown to include over 600 student athletes in the Hockey Academy program this season.

The Hockey Academy has also partnered with local businesses and organizations who have provided many volunteers and hours of service to the program. Those local groups include WASAC, E.H. Price, Investors Group, Princess Auto, Maple Leaf Construction, Birchwood Automotive Group, Winnipeg Police Services, Skybridge and True North Sports & Entertainment.

PROJECT 11

The Winnipeg Jets True North Foundation is working in collaboration with a variety of organizations to develop a program that increases awareness surrounding positive mental health coping skills. Project 11 is a curricular support resource document for students in grades 5-8 that educators will be able to easily transition into their yearly plan. The resource will be driven from www.winnipegjets.com as an optional opportunity for educators in the Province of Manitoba to begin the conversation around Positive Mental Health Coping Skills.

Project 11 has been developed to honour the wishes of, Rick Rypien, who was a valuable member of the Manitoba Moose, Winnipeg Jets and TNSE. "Ryp" had a profound impact on our organization and brought the importance of positive mental health to be a focus for the WJTNF. Our goal through Project 11 is to help children develop positive coping skills to deal with the daily stressors of life.

COMMITMENT TO THE COMMUNITY

The Winnipeg Jets Hockey Club is excited about the opportunity to put forward the continued emphasis on community initiatives that True North Sports & Entertainment has been able to sustain in Winnipeg for 18 hockey seasons, first with the Manitoba Moose and now with the Jets. The Jets will be present in the community by visiting schools, local hospitals & health centres, through numerous player and team mascot appearances, and by maintaining an open and interactive relationship with the team's supportive and passionate fanbase.

The Winnipeg Jets helped the Salvation Army build a toy mountain in donations leading up the holidays.

Mark Stuart and Mark Scheifele met fans and posed in the dressing room during the 2014 Jets Draft Party at MTS Centre.

Thousands of fans braved the cold to cheer on their team at the Jets Outdoor Practice at The Forks.

Bryan Little and Mick E. Moose made new friends when the Jets visited the Rehabilitation Centre for Children over the holidays.

Chris Thorburn spent time at River West Park School reading to students to promote the program Reading Takes Flight.

MICK E. MOOSE

Mick E. Moose has always been an important member of the family at True North Sports & Entertainment. Arriving in Winnipeg along with the Manitoba Moose in 1997, Mick E. has helped bring excitement to live hockey games and community events for 18 seasons.

While Mick E.'s original jersey was retired in 2011 following the final season of the Manitoba Moose, the Winnipeg Jets proudly called him up to the NHL for their inaugural season in 2011-12. Mick E. remains a popular addition to the game day experience at MTS Centre and makes over 120 appearances every year throughout the community of Winnipeg.

MTS CENTRE

As one of the modern jewels of downtown Winnipeg, MTS Centre stands as a testament to the perseverance and vision of a handful of men and women who wanted to bring Winnipeg to the forefront of the sports and entertainment industry. That handful of people began in 1996 with a concept in their heads and a drive in their hearts which developed that concept into the dynamic and successful True North Sports & Entertainment Limited.

True North's mandate was to develop, finance, and operate a new 15,000-seat multi-purpose sports and entertainment facility. The original mandate involved the Manitoba Moose as the primary tenant of the facility, but MTS Centre has since evolved into the current home of the Winnipeg Jets. Despite a variety of challenges during the developing stages of MTS Centre, all of which are typical with a project of this magnitude, the building was completed on time and on budget in the fall of 2004. Since opening its doors nearly 10 years ago, MTS Centre has acted as a major catalyst in the redevelopment of downtown Winnipeg.

As True North's marquee entertainment facility, MTS Centre boasts excellent sightlines from every seat, superb acoustics for concerts, and the best ambience and amenities for sports of all kinds, including hockey, basketball, curling, lacrosse, and indoor soccer. Along with professional hockey and concerts, MTS Centre has hosted such events as an NBA exhibition game, professional bull-riding, Monster Jam, professional wrestling, and professional indoor soccer exhibitions, among others. Winnipeg's busiest entertainment venue can accommodate up to 17,000 concert-goers and can just as easily be curtained down to create an intimate concert setting for audiences as small as 2,500.

MTS ICEPLEX

The hockey vision of True North Sports & Entertainment Limited expanded beyond MTS Centre with the development of MTS Iceplex. The project was completed in September of 2010 when the 172,000 square-foot multiplex opened its doors. MTS Iceplex is an advanced hockey facility equipped with four regulation sized ice sheets, training centre, and a licensed restaurant and lounge among other features. The four ice sheets provide over 23,000 of hours of ice time to the Winnipeg and rural hockey community. A crowning achievement for MTS Iceplex occured early on in the facility's operations as True North Sports & Entertainment Limited hosted the Under-17 World Hockey Challenge at MTS Iceplex in 2011 and set attendance records for the Hockey Canada event.
